Assignment of Benefits

I, the undersigned patient/insured, knowingly, voluntarily, and intentionally assign and transfer any and all rights and benefits of my automobile insurance policy (i.e. Personal Injury Protection (“PIP”), Uninsured Motorist and Medical Payments benefits) to the above-stated Health Care Provider(s) with which I have treated. I understand it is the intention of the Health Care Providers to accept this Assignment of Benefits in lieu of demanding payment at the time services are rendered. I understand that this document will allow the Health Care Providers to file suit against the insurer either in my name or the providers’ names for payment of the insurance benefits, to obtain an explanation of benefits and to seek attorneys’ fees and costs under Fla. Stat. §§627.736(8), 627.428 and 57.041 from the insurer. This Assignment of Benefits includes, but is not limited to, the cost of medical care, transportation, medication, supplies, overdue interest and any potential claim for common law or statutory bad faith/unfair claims handling. If the insurer disputes the validity of this Assignment of Benefits, then the insurer is instructed to notify the Health Care Providers in writing within five (5) days of receipt of this document advising of its basis for such dispute. Failure to inform the Health Care Providers shall result in a waiver by the insurer to contest the validity of this Assignment of Benefits. The undersigned patient/insured directs the insurer to pay the Health Care Providers the maximum amount of the policy benefits directly to the Health Care Providers without any reductions and without including the undersigned patient’s/insured’s name on the check. It is the Health Care Providers’ contention that the charges are reasonable. This Assignment of Benefits applies to past, present and future rendered medical expenses and is valid even if not dated. A photocopy of this Assignment of Benefits is to be considered as valid as the original. I, the undersigned patient/insured, agree to pay any applicable deductible or co-payments for services rendered, including payment for services after the policy of insurance exhausts and for any other services unrelated to the date of injury. The above-stated Health Care Providers are given Powers of Attorney to: (1) endorse my, the undersigned patient’s/insured’s, name on any check for services rendered by the above-stated Health Care Provider, (2) to request and obtain copies of any recorded statements or Examinations Under Oath given by me, the undersigned patient/insured, and (3) to request and obtain copies of any Independent Medical Examination report and/or peer review report pertaining to me, the undersigned patient/insured.

Disputes

The insurer is directed by the Health Care Providers and the undersigned patient/insured not to issue any checks or drafts in partial settlement of a claim that contain or are accompanied by language releasing the insurer or its insured/patient from liability unless there is a written settlement agreement between the Health Care Providers, specifically the Office Manager, and the insurer as to the amount to be paid by the insurer for the services rendered only to the undersigned patient/insured. The undersigned patient/insured and the Health Care Providers hereby contest and object to any reductions or partial payments made by the insurer. Any partial or reduced payment, regardless of the accompanying language, issued by the insurer and deposited by the Health Care Providers shall be done so under protest, at the risk of the insurer, and the deposit shall not be deemed a waiver, accord, satisfaction, discharge, settlement or agreement by the Health Care Providers to accept a reduced amount as payment in full. The insurer is hereby placed on notice that the Health Care Providers reserve the right to seek payment in full for the bills submitted. If the insurer asserts that it can pay claims at 200% of the Medicare Fee Schedule, then the insurer is instructed and directed to provide the Health Care Providers with a copy of the policy of insurance within ten (10) days. Should the insurer and Office Manager of the above-stated Health Care Providers reach an agreement to settle any of the bills submitted at a reduced amount, this agreement shall be reduced to writing and submitted to the attention of the Office Manager for written approval. See Fla. Stat. §673.3111.

Release of Information

I, the undersigned patient/insured, hereby authorize the Health Care Providers to: furnish an insurer, an insurer’s intermediary, my other medical providers and my attorney(s) via mail, facsimile or e-mail, with any and all information that may be contained within my medical records to: obtain insurance coverage information (i.e. declarations page and policy of insurance) in writing and telephonically from the insurer, request from any insurer all Explanation of Benefits/Review forms (EOBs) for all of my medical providers, obtain a non-redacted PIP payout sheet, obtain written and verbal statements that I or anyone else provided to the insurer, obtain copies of the entire claim file and all medical records, including, but not limited to: documents, reports, scans, notes, bills, opinions, x-rays, IMEs, peer reviews and MRIs from any of my medical providers or any insurer. The Health Care Providers are permitted to produce my medical records to its attorney in connection with pursuing a legal action. The insurer is directed to keep my, the undersigned patient’s/insured’s medical records confidential. The insurer is not authorized to provide my, the undersigned patient’s/insured’s, medical records to anyone without my, the undersigned patient’s/insured’s and the Health Care Providers’ express written permission.

Certification

I, the undersigned patient/insured, certify that: I have read and agree to the above; I have not been solicited or promised anything in exchange for receiving health care from the above-stated Health Care Provides; I have not received any promises or guarantees from anyone as to the results that may be obtained by any treatment or service provided; and I agree that the Health Care Providers’ prices for the medical services, treatment and supplies provided are reasonable, usual and customary.

Caution: Please read this document carefully before signing. Please ask to review a copy of the above-stated Health Care Providers’ charges. Informed Consent

I have been informed it is not uncommon for patients to have some increased discomfort after an adjustment. If that happens, I will apply ice to the area and rest. If I am concerned about this discomfort or develop any new symptoms, I can call the office for attention. If I am out of town or unable to contact the aforementioned number, I can present myself to the emergency room.

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various therapy methods. Listed below are some of the therapies performed in our offices.

Emergency Medical Evaluation- EMC evaluation with the MD or ARNP is required with all auto insurance claims.

Chiropractic Adjustments- use of hands or a small instrument to apply a controlled, sudden force to a spinal joint. The goal of this procedure, also known as spinal manipulation, is to improve spinal motion and improve your body's physical function

Manual Therapy- Hands on technique to increase range of motion in the injured area, relieve pain, reduce swelling, etc.

Therapeutic Exercise- Restores strength and coordination to the muscles and maintain mobility in the joints. These exercises will help to decrease pain, prevent muscle deterioration, promote joint health, increase stability and range of motion.

Heat / Cold Therapy- depending on your injury, you will receive heat therapy and/or cold pack therapy. Heat therapy is used to deeply penetrate and relax your muscles and relieve pain and soreness. Cold therapy is used to decrease swelling and reduce the pain.

Therapeutic Ultrasound- ultrasound conducts an electrical signal through crystals found in the head of the ultrasound probe. The crystals vibrate and create mechanical waves at frequencies outside the range of human hearing. Applied to soft tissue and joints to help reduce swelling, decrease pain and spasms and increase blood flow.

EMS/ TENS Therapy- Used to prevent muscle spasms and muscle atrophy, increasing local blood circulation by stimulating muscle tissue, and strengthen muscle tissue to promote healing.

Mechanical Traction- Spinal traction uses mechanically created forces to stretch and mobilize the spine. Traction may alleviate pain by stretching tight spinal muscles that result from spasm and widen intervertebral foramen to relive nerve root impingement.

Posture Pump- Used to help relieve stiffness and restore cervical posture. Helps restore the natural curvature of the cervical spine to decompress the discs and relieve pain.

I further understand, and I am informed that, as in all health and chiropractic medicine there are some slight risks to treatment including, but not limited to, muscle strains and sprains, disc injuries, and stroke. I do not expect the doctor to be able to anticipate and explain all the risks and complications. I wish to rely on the doctor to exercise judgment during the course of procedure which the doctor feels at the time based upon facts then known, is in my best interest.

OUR OFFICE POLICY: We believe that a clear definition of our office policies will allow you, our patient and our office, to concentrate on the big issue- **REGAINING AND MAINTANING YOUR HEALTH.**

If any tests were performed outside of this office (laboratory or diagnostic procedures), I understand the doctor will notify me of the results at my next appointment or when the reports are available.

Multiple appointments have been given to you for your convenience, to minimized waiting, and help incorporate these appointments into your daily routine. This permits you to stay on the treatment schedule that the doctor prescribed for best results. Staff is not authorized to change or alter your prescribed treatment plan, only the doctor. Our office does appointment reminder calls, texts and/or emails. If you do not wish to receive communication about your appointment in one or more of these manners, please let us know. Upon final or discharge of care medical record request(s) will only be provided to another doctor or attorney with a signed medical release form. Medical records will not be released directly to the patient without a written request.

PAYMENT OF BILL: We will require that you honor financial agreements you make with our office. Our policy is that if a patient does not have cash personal balance of \$100,000 they can fill out a hardship form and/or letter of protection to cover any unpaid balance. Any insurance checks for services performed by our providers that is sent to your home should be brought or sent to our office within three days, along with the stub or statement to indicate which services were paid.

****Our office will submit your insurance claims for you as a courtesy. However, your insurance is an agreement between you and your insurance company, not between our office and your insurance company.**

I have read and understand the above consent, and by signing below, I agree to the above name procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition for which I seek treatment.
